Top Tips

for parents who are separated

The FJYPB members are children and young people with experience of family law proceedings. They have devised these top tips for parents to help them think about matters from their child's perspective.

'Listen to your child'

You can find out more about the FJYPB at Cafcass.gov.uk

1

•Remember I have the right to see both of my parents as long as it is safe for me.

2

•I can have a relationship with the partner of my other parent without this changing my love for you.

3

•Try to have good communication with my other parent because it will help me. Speak to them nicely.

4

•Keep my other parent updated about my needs and what is happening for me. I might need their help to.

5

•Don't say bad things about my other parent, especially if I can hear. Remember I can often overhear your conversations or see your social media comments.

6

•Remember it is ok for me to love and have a relationship with my other parent.

7

•Don't make me feel guilty about spending time with my other parent.

8

•Don't make permanent decisions about my life based on how you feel at the moment. Think about how I feel now and how I might feel in the future. My wishes might change.

9

•Be open to change, be flexible and compromise when agreeing arrangements for me.

10

•Its ok with me if my parents don't do things exactly the same. You are both different and that's alright with me.
