

St. Faith's Church of England Infant and Nursery School Family Newsletter

20th March 2026

Dear parents, carers, families and friends,

I hope you have had a lovely week. We have loved the sunshine!

Our Year 1 children have visited The Sycamore this week, to make their own pizzas! They have loved it! Huge thanks to James and Jamie for your hospitality, generosity and enthusiasm!

Next week we have our Family Progress evenings. Hopefully you have all managed to make an appointment. When you arrive for your appointment, please go to your child's classroom door to wait for your appointment. Please remember to fill in a Praise Postcard for your child, which will be read out in class. These are available when you come to your appointment. Thank you.

Next Friday we have 'Feel Fabulous Friday' which is our Health and Happiness day for the term. We invite the children and staff to come to school wearing whatever makes them feel fabulous! The classes have all chosen what they will be doing on that day. It is a day to celebrate how fabulous we all are!

We have sent home an 'Easter at the Library' flyer, for you to see what is happening at the Central Library during the Easter holidays.

As the weather is improving and the grass is starting to look lusher and healthier, we ask that you don't walk on the grass as you arrive at school. Please use the paths when walking or with your bikes and scooters, so that we can protect the grass as much as possible.

Have a lovely weekend. Thank you for your continued love and support.

Warmest wishes

Amanda Konrath,

Head teacher

Anti-social smells

You may have been aware of some unpleasant smells outside of school on West Parade, and as you come down the school path. If you have experienced this, we ask that you report it, stating the address of the house that you believe it to be from. Action can then be taken. Thank you. Please go to www.lincoln.gov.uk and search for 'report a smell.' Then open 'report a bad smell or odour' and you may leave the details. The more people that report this, then something can be done.
