

Attendance Matters

Parent Newsletter Summer 2 2026

Attendance News

A huge thank you to everyone who attended school every day and on time last half term and are making every effort to help us to achieve our attendance goals. This is making a real difference to your child and the progress they are making on their learning journey.

Our attendance last half term was 95.34%. For the full year it is now 95.41% including nursery and we want to maintain this or even improve it as the year progresses. We believe we can achieve this with your help!

Please remember:

- Good school attendance is essential for all children to get the most of their school experience, including their attainment, wellbeing, and wider life chances.
- To contact the school on 01522 888988 or enquires@st-faiths.lincs.sch.uk if your child is absent, providing a reason why. This should be done each day of the absence, and you should ensure that your child returns to school as soon as possible.
- We are unable to authorise holidays in term time and this may lead to a penalty fine.
- Try to arrive at school on time. If a child is late this miss the valuable sociable start to the day. This can include vital key learning!

If you have any questions or we can support in any way, please just ask!

Our Attendance Team are Mrs Kingston, Mrs Lower and Mrs Konrath.
