

22nd May 2026

Dear parents, carers, families and friends,

We have had a fabulous half term, and a lovely week to end the half term. We had many happy feet and happy shoes on Tuesday, and the children and staff looked amazing on We Are Wonderful Wednesday! The children have all been incredible this term and have achieved so much, developing skills and working so hard. We are very proud of them all.

For Year 1 and Year 2 we are starting STAR reading after half term. This is an opportunity to **Sit Together And Read** with your child in school each week at the end of the school day. We recognise how busy life is and how precious time can be. During our STAR reading sessions we invite you to hear your child read their school reading book in school. Members of our staff team will be there to support you with this as needed. It allows you dedicated, one to one time to support your child as they learn to read. The STAR reading sessions will take place in your child's classroom throughout June. Please see the dates below.

Today is the last day of the half term. Have a lovely half term holiday. We will see you back at school on Monday 1st June.

Thank you for your continued love and support.

Warmest wishes
Amanda Konrath,
Head teacher
