

# St. Faith's Church of England Infant and Nursery School Family Newsletter

5<sup>th</sup> June 2026

Dear parents, carers, families and friends,

What a lovely first week back!

We loved seeing so many families at our Family Reading on Wednesday afternoon. We wanted to try a different time and hope that it worked well for many of you. Any informal feedback on the Family reading times of 8.50am or 3pm is gratefully received.

Year 1 and Year 2 we are starting STAR reading this term. This is an opportunity to **Sit Together And Read** with your child in school each week at the end of the school day. We recognise how busy life is and how precious time can be. During our STAR reading sessions we invite you to hear your child read their school reading book in school. Members of our staff team will be there to support you with this as needed. It allows you dedicated, one to one time to support your child as they learn to read. The STAR reading sessions will take place in your child's classroom throughout June. The first one is next week for Year 2. We do hope you can join us.

Have a lovely weekend.

Thank you for your continued love and support.

Warmest wishes  
Amanda Konrath,  
Head teacher

The Children's Commissioner is writing to ask for your support in helping children take part in my national survey, The Big Future.

The children can take part here:

<http://www.childrenscommissioner.gov.uk/thebigfuture>

This is a valuable opportunity for children and young people to reflect on their experiences, share what matters most to them, and tell us about their hopes and ambitions for the future in their own words. They want to hear from children and young people aged 0–18 from every background, in every part of the country. The survey asks about the things they enjoy, the challenges they face, the changes they would like to see in their communities, and what they believe a good childhood should look like today.
