

St. Faith's Church of England Infant and Nursery School Family Newsletter

12th June 2026

Dear parents, carers, families and friends,

We have loved meeting our new Reception families for September 2026 this week. Our transition events are well and truly underway. You can see the dates that we do have planned. Today the children in Reception and Year 1 will be bringing home a letter telling you which class they are in next year.

Next week we have 2 Meet the Teacher afternoons. This is for the **children only**. They will spend time with their new class, in their new classroom. For our current Year 1 and Reception children, they will spend 2 afternoons with their new class. Our Nursery children will spend one afternoon in their new class. Our Year 2 children have got a morning at SFSM next week and during those Meet the Teacher afternoons, they will be doing activities together in school. If you feel that your child is worrying about their transition, please do speak to your child's class teacher.

Next week we have a book fair in school, starting on Tuesday, More information will follow about this.

If you would like to keep up to date with what we are doing, please see the school website at www.st-faiths.lincs.sch.uk. You can also follow us on Facebook at <https://www.facebook.com/StFaithsFamily> and on Instagram at [play_matters_st_faiths](https://www.instagram.com/play_matters_st_faiths).

Have a lovely weekend.

Thank you for your continued love and support.

Warmest wishes

Amanda Konrath,

Head teacher

Justice

Our value for this half term is Justice. Justice means giving all people what it is right and fair for them to have: life, health, freedom and dignity. It is about acting out of a concern for what is right.

We have sent home the Justice image for you to spot when your child shows justice and fairness at home, and to fill it in and send back to school. Thank you.

The Children's Commissioner is writing to ask for your support in helping children take part in my national survey, The Big Future.

The children can take part here:

<http://www.childrenscommissioner.gov.uk/thebigfuture>

This is a valuable opportunity for children and young people to reflect on their experiences, share what matters most to them, and tell us about their hopes and ambitions for the future in their own words. They want to hear from children and young people aged 0–18 from every background, in every part of the country. The survey asks about the things they enjoy, the challenges they face, the changes they would like to see in their communities, and what they believe a good childhood should look like today.
