

Summer Term 2025

What have we been doing?

Further developing our hammering and drilling skills

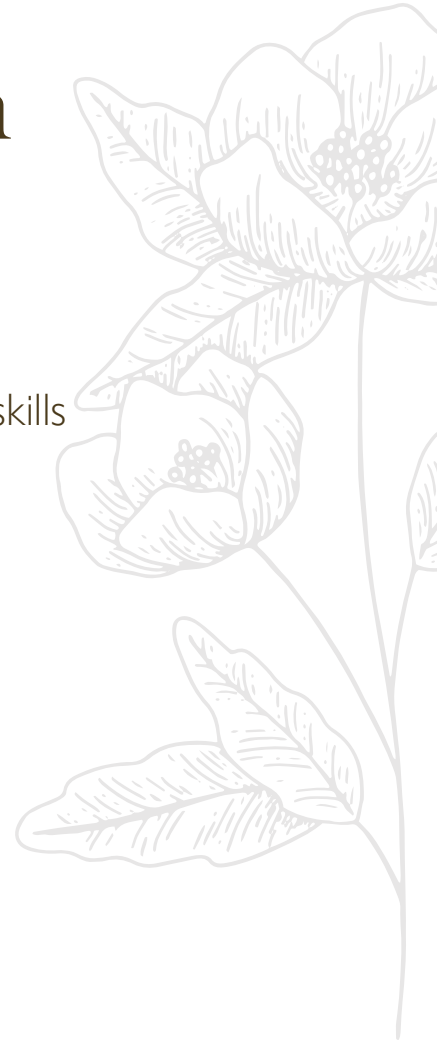

Using natural materials to make art

Hunting for minibeasts

Den building independently

Caring for our forest school site

Cooling down with water play!

Hammering

Remembering our safety bubble and goggles!

We can use the hammers safely to accurately hammer nails into a piece of wood

We have used these skills to create a woodland animal sculpture

Drilling

Remembering our safety bubble!

We can use the palm drills to make a hole in a wooden disc

We are resilient and have a 'can-do' attitude!

We have used these skills to create a medal as a memento of our time at forest school

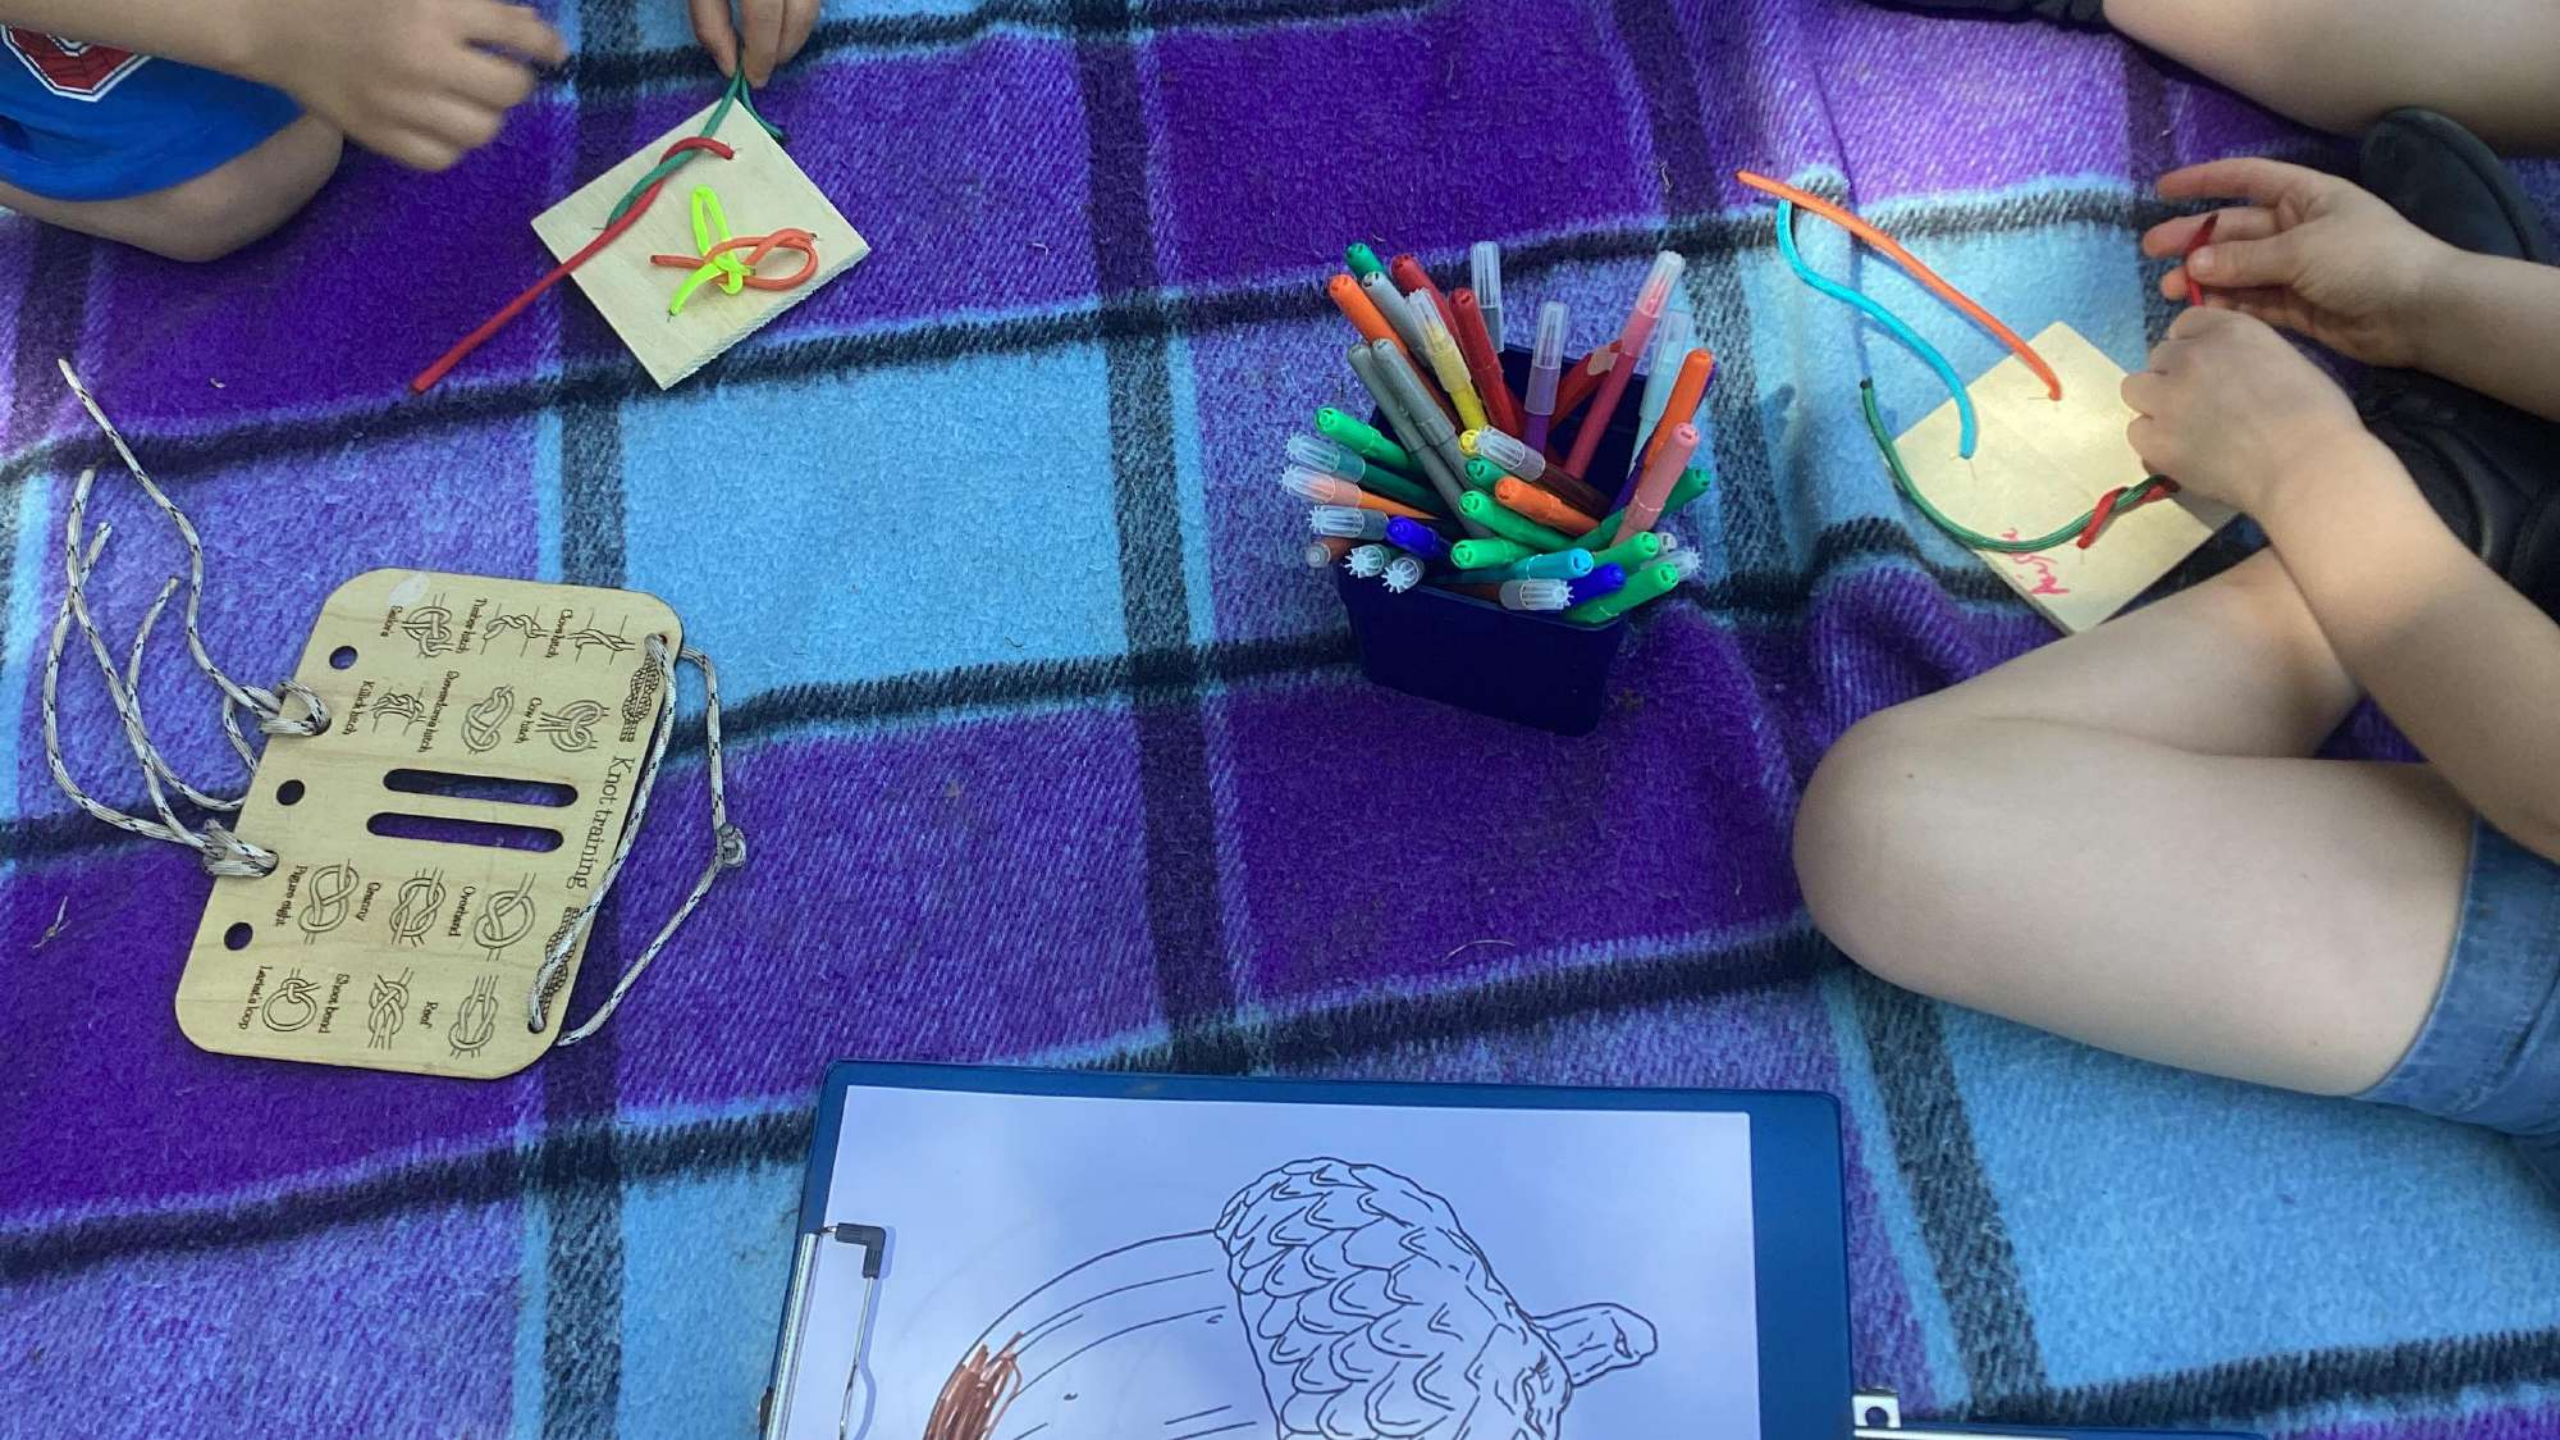

We have loved our forest school adventures!

Year one, you are...

Resilient

Brave

Confident

Independent

Careful

Considerate

Inquisitive

AMAZING... Don't ever change!

Keep on exploring!
